

And Now the Whole City Turns Busily to Its Christmas Lists—

# Grossman's is the Place to Fill Them

As Beautiful Clothes are Always a Delight to a Lovely Woman

## A Broad Hint to Husbands

THE GROSSMAN STORE is doing some wonderful merchandising these days. We cleared our stocks early. Our hands have not been tied by large regular stocks, which must be sold before other goods can be bought.

Our merchandise buyer (Mr. S. L. Grossman) was free to go into the market (New York City) and take advantage of every favorable opportunity to secure unusual merchandise at unusual prices.

The offerings in the GROSSMAN Store announcement for tomorrow are so ex-

traordinary as to compel the attention of every woman who is looking for good merchandise at a low price.

The 71 fine suits that are offered at \$10.00 are simply wonderful. You can find nothing like them in the entire city for anywhere near the price. The dresses at \$5.98 and \$7.98 are equally remarkable. The materials alone are worth as much as the price now asked for the finished dresses. And so it goes throughout this famous Grossman Store.

It's the busiest spot in Moline, and you will miss some of the best things offered if you fail to keep watch of its announcements.
